## Programmes Offered

### Certificate in Philanthropy and Social Impact

The Certificate in Philanthropy and Social Impact will help wealth advisors, wealth planners and family office professionals formulate impact capital frameworks and strategies for families and clients. Learn from leading global and local experts to integrate philanthropy into your advisory practice and build deeper, more meaningful connections with family principals and clients.

### Advanced Certificate in Philanthropy and Social Impact

Be part of a passionate and highly diverse community and take a deep-dive into Asia's emerging philanthropic advisory industry. Analyse global and regional philanthropic trends and regulations, while learning new approaches to create impact effectively across various capital allocation types. This is also an opportunity to not only understand the giving behaviours of high-net-worth families, but also gain clarity in one's own philanthropic principles and advisory role.

## Meet Your Faculty

### Dien Yuen

WMI Lead Faculty for Philanthropy, Co-Founder & CEO, Daylight Advisors; Experienced wealth advisor and former Chief Philanthropy Officer, Give2Asia

Dien co-founded Daylight Advisors to revolutionize the field and practice of philanthropic advising.

She founded the Center for Philanthropy and Social Impact at The American College of Financial Services, where she also developed and taught courses as the Blunt-Nickel Professor in Philanthropy for the Chartered Advisor in Philanthropy® (CAP®) designation. While at the College, Dien launched the Advisors of Color CAP® Study Group, a support group for BIPOC advisors pursuing their designations. That initiative tripled the number of CAP-trained BIPOC philanthropic professionals in the field in less than three years. In addition, she developed and launched Purpose School, an immersive, interactive learning experience to help leaders explore the intersections of purpose and social impact in their lives.

Earlier in her career, Dien worked for several wealth management firms and held executive positions in regional and global development organizations. Her former positions include Chief Philanthropy Officer at Give2Asia, Vice President and Senior Trust Officer at U.S. Trust, Executive Director of the IIT Bombay Heritage Fund, Vice President of the Asian Pacific Fund, and Planned Giving Director of the American Cancer Society.
